Building:

A splendid architecture, reflecting kid's imagination and a concern for convenience, the school building is as awe inspiring as it can get. The school is packed with tremendous facilities. It's the best a kid can get, anywhere, around the globe.

Class Rooms:

Large, spacious classrooms with fewer students become an ideal place for the kids to give a flight to imagination. They are encouraged to do so! The positive vibes that one can feel within the walls can make learning here as fun and enlightening, rather than a daunting task.

Multi-purpose Hall:

Our Multi-purpose Hall is a beautiful addition to bring out the best in the students. It solves the purpose of cafeteria, auditorium, gymnasium and health club as well as meeting point where students can explore themselves like never before.

Indoor and Outdoor space to encourage all Games and Sports:

The School's spacious grounds are attractively landscaped with carefully selected trees, bushes and flowering plants, creating a welcoming environment and providing pleasant meeting places for pupils during breaks. The students involve themselves in various indoor as well as outdoor activities by keeping the notion in mind that "The healthy mind remains in a healthy body".

Technology

The entire campus has a 24x7 Wi-Fi internet connection. It is fully automated and implements the best available Student Management System. Video Conferencing facility is also planned so that the students and teachers can connect with their age groups across the world. At CHANAKYA The Global School for Intellectuals, we realize we can't predict the future of students but we can provide the technologies that will help them shape it for themselves.

Smart classes/ Multimedia Facilities

Teaching through the latest pedagogy, is the on-going motto of the School. All the teachers are trained to teach through smart class, to make teaching enjoyable and refreshing. Digital Class is an innovative comprehensive solution designed to the specific curriculum guidelines for use in class. Computer aided learning system is introduced from pre-primary...

Activity/Learning Center

Club activities help the students to learn and practice skills that will help them express themselves with their individuality. To nurture the talent of each student, the school has made extensive arrangements that enable the students to learn different arts, crafts, music and dance. The school provides a rich variety of activities namely as a club like Arts club, Music club, Sculpture & Pottery club, Dance club, Karate and yoga classes for meaningful engagement depending on their needs and interests.

Teachers

School is the foundation of a child's future. And teachers are the architects of this foundation. They do not only impact knowledge but also play a pivotal role in molding a child. They will be guides, mentors and counselors of our students.

CGS will have well-trained and experienced teachers. Visiting teachers from renowned schools in India and abroad will come and teach under teacher-exchange programs.

Teaching Methodology

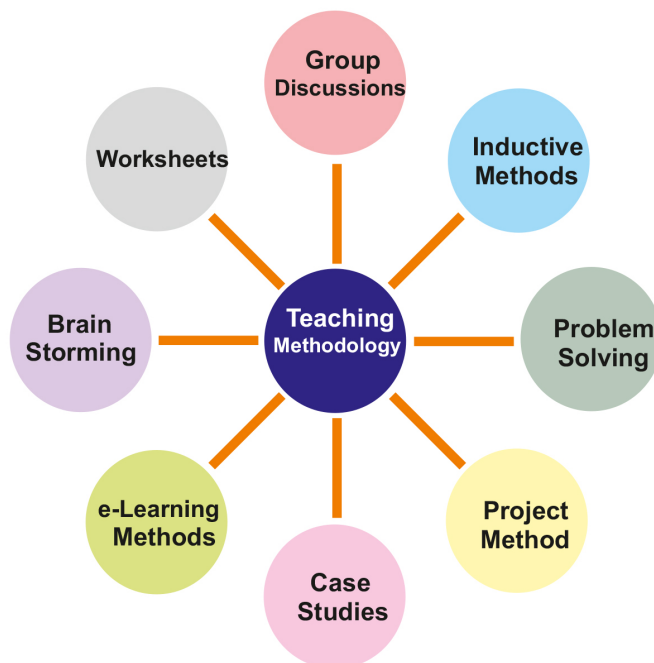

The teaching-learning environment would be positive, inclusive, and stimulating. It would be in the line and instruction of the IGCSE and would develop the most innovative childcentric classroom teaching methods.

The CHANAKYA School has partnered with TeachNext Education to offer integrated IGCSE curriculum through computer-aided solutions and access world-class education.

Our in-class technology, provided by TeachNext Education, equips the teachers to arrange various digital resources to understand the aptitude of each child and cater individual needs.

Our online assessments and evaluation helps the teachers to judge and evaluate the true levels of learning. The process also results in the self-improvement of teaching towards efficiency.

Our learning environment is active, latest, hygienic, green and secure.

Transportation:

The School has its own fleet of proposed Air-Conditioned buses. The buses are fitted with LED projectors to display various educational CDs in order to develop the outlook & other skills of the students during their journey from home to school and back. Each bus has a driver, conductor who is provided with mobile phone for the easy access of the parents along with complete safety and security of the children.

The school shall have its own fleet of buses to pick students from any destination from Umroli, Shirgaon, Gandhi Nagar, WIDCO, Kacheri Road, Dhung Pada, Sundaram, 70 Gala, Navli, Veoor, Mahim.

Provision is made for students to watch educational videos or channels like National Geographic, Discovery or cartoons while traveling to-and-fro the campus.
